

## Prime Suspect: Tennison to Air on MASTERPIECE on PBS

Series Portrays Early Career of Jane Tennison,  
one of TV's Most Iconic Detectives

Boston, MA; October 11, 2016—*Prime Suspect: Tennison*, the highly anticipated prequel to the hit series *Prime Suspect*, is scheduled to air on MASTERPIECE on PBS in 2017.

The six-part drama portrays the early career of one of television's most iconic detectives, Jane Tennison—the role that established Dame Helen Mirren as a household name in the groundbreaking MASTERPIECE series *Prime Suspect*.

“Jane Tennison was adored by MASTERPIECE audiences, who cheered her on as she tried to make it in a man’s world,” said MASTERPIECE Executive Producer Rebecca Eaton. “*Prime Suspect: Tennison* will imagine the events that made Jane the tenacious, difficult, and brilliant detective she became.” MASTERPIECE is presented by WGBH Boston.

A coproduction of ITV Studios, NoHo Film & Television and MASTERPIECE for ITV, *Prime Suspect: Tennison* is a visually-stunning, cinematic style drama which rewinds to 1970s London where viewers meet Jane (Stefanie Martini, *Doctor Thorne*) as an ambitious, single-minded 22-year-old probationary officer, starting out in an environment where chauvinism and rule-bending are the norm.

*Prime Suspect: Tennison* is adapted from the bestselling novel *Tennison* by acclaimed author Lynda La Plante, who created the original *Prime Suspect* series.

“MASTERPIECE on PBS was the original home of *Prime Suspect* so we are thrilled that they are continuing their association with this brilliant series,” says Greg Johnson, EVP ITV Studios Global Entertainment. “*Prime Suspect: Tennison* will feel very topical and fresh, through the many complex and very current themes it explores.”

Jane’s dedicated, instinctive approach is evident from the start as she is thrown into a brutal murder inquiry, witnessing first-hand the devastating effect of violent crime, and experiencing tragic ramifications herself. Immersed in the music, fashion and politics that defined a generation, the series follows her as she establishes herself in a workplace dominated by men, revealing the complexities of the ambition and personal life that shaped one of television’s most famous female characters.

Jane Tennison stormed onto MASTERPIECE in 1992. By the time the series ended in 2006, it had introduced a character with massive appeal and transformed the crime series genre. Admired equally by critics and audiences, *Prime Suspect* won Emmys® for Outstanding Miniseries and Outstanding Actress for Helen Mirren.
